¿Cómo Se Cuidan Los Dinosaurios?: (Spanish Language Edition Of How Do Dinosaurs Stay Safe?) (Spanish Edition)

Synopsis

From crossing the street with Mama to encountering a stranger, the playful but careful antics of these dinosaurs will make readers laugh aloud -- and prompt discussion of safety issues. Few things in childhood are as important as learning how to behave safely, and the topic deserves discussion in every family. Now Jane Yolen and Mark Teague deftly approach this critical subject with warmth, humor, and hilarity. The wildly funny contrast between Teague's massive dinosaur children and their human-sized surroundings makes this subject especially appealing and funny. Where a book about safety for children might be potentially frightening, the antics of immense dinosaurs jumping on the bed or learning how to dial 9-1-1 on Mama's tiny phone will keep readers laughing from start to finish. Durante la infancia, los niños deben aprender a cuidarse del peligro. Este es un asunto que debe tratarse en cada familia. En este libro, Jane Yolen y Mark Teague abarcan el tema con calidez y humor.
