# The World Of Wade Ireland (Schiffer Book For Collectors)

## Synopsis

This fifth book in the authors' popular World of Wade series features highly collectible ceramic products made by the Irish Wade pottery from the early 1950s through 1990. Over 540 color photographs depict extensive giftware lines, including tankards, tableware, decanters, ashtrays, miscellaneous giftware, and the highly collectible leprechauns, fairy folk, and Irish Song Figures. A concise history of the pottery and a comprehensive section on backstamps and mold marks will help collectors learn about dating Irish Wade items. Also illustrated are products made by Seagoe Ceramics that were marketed under the Wade brand name in the early 1990s. All pieces illustrated have suggested values in both dollars and English pounds. This book is a must for all serious and novice collectors of Irish Wade.

## Customer Reviews

Well done book. Probably the only book that exists on Irish Wade pottery. Since my sister collects it, I decided it would be a good Christmas gift. She was pleased and it helps her with her collection and new purchases.

Some of the best Wade books for collectors are by Ian Warner. I am happy to have this one in my collection. This one focuses on Irish Porcelain-- my favorite.

A must for all wade collectors, very informative and great pictures.Wade Miniatures: An Unauthorized Guide to Whimsies, Premiums, Villages, & CharactersThe World of Wade Figurines And Miniatures (Schiffer Book for Collectors)The World of Wade Figurines And Miniatures (Schiffer Book for Collectors)
