Infield Email System: Stop Selling Too Hard In Your Mails

Synopsis

I Am No Gurultâ™s true, nor do I care to be. I am not here to bring you into some sort of cult. As it seems a lot of âœguruâ™sâ• are nowadays, especially in the make money online market. Donâ™t think that something is 100% true just because it is in this book. The reason I created this course was because I know how it feels to be overwhelmed and frustrated trying to make money from email marketing. And by no means have I mastered it yet. But Iâ™m confident the information in this course can help a lot of you who are new and are feeling overwhelmed with email marketing, and I think the advice given by the people in the interviews is worth a lot of money, if applied. I have spoken with some of the best in the industry and, together with my experience; I have put together this guide so that you have a starting point.

SLOPPY! This is the posted title: "Infield Email System: Stop Sellinf Too Hard In Your Mails." I am sure the "author" meant SELLING and E-MAILS.....but if you want I should pay \$3 for your book, don't you think you should show me you are a professional worth listening too?? And this is way too

short for \$3. In the INSIDE, it says "this is the only book that will teach you...." blah blah blah,,,,,right! This genius is the ONLY one who knows anything about e-mail marketing?? This is like a guy who wears the same clothes for two weeks straight. Sorry! I am NOT buying what you are "sellinf!"
