## Customer Reviews

World of Wade: Figurines & Miniatures II is a "must" for any Wade collector, beautifully written with excellent pictures!Has all the Wades priced in \$ and pounds.I thought it was priced way to high when I first purchased it, but when it arrived in the mail I could see why the cost was so high,very thick hardcover and thick paper pages with high quality pictures.

I collect Red Rose Tea figurines, and this is the cats meow when it comes to knowing what to look for. Couldn't have found a better guide. .com has the best selection of ref. guides I have found yet, and will be my go to guys.

Great book for Wade collectors. Lots of interesting information. Well worth the money.
