Customer Reviews

I bought this book to read to my daughter's class on St. Patrick's Day. It arrived the day before and I excitedly read through it, but it fell short of my expectations. It had cute and vivid illustrations and included stickers but it didn't seem like a complete storyline, they didn't even use all the Toodles tools! I didn't feel like trying to explain why to a room full of curious 4 year olds so I stuck with a classic and read them Dr. Seuss' Put Me in the Zoo and my daughter brought her coordinating spotted stuffed animal to show and we handed out animal crackers, it was a hit!

I found St Patricks Day books were hard to find. I loved how Disney had one. While my 10 month old doesn't understand it at them moment I love having it for future years. For paperback book the pages are a decent thickness and held up to my little guy 'helping' me turn the pages.

Not always easy to find books that fit some of the "minor holidays" so we were happy to read Top o' the Clubhouse on my Kindle. The story isn't too long so it's perfect for bedtime. Basic plot is about Mickey and his friends solving problems with the help of Toodles and a St Patricks day theme. They save the day once again! Happy we downloaded this book and recommend it for your little ones.

I bought this for my two year old to give him a heads up about the concept of St. Patrick's Day before all the festivities began. He didn't even rip any pages. I think that is because he was too busy with the stickers.

This is a cute book and my daughter loved the stickers, but the pages keep falling out. I don't know if I just got a lemon but I thought it was worth mentioning.

My children loved this story! It's the perfect book to add to your St. Patrick's Day library. The story keeps you drawn in and reading for more! The illustrations are very colorful and Intriguing.

My three year old loves it and makes me read it over and over until I can recite it! The clubhouse never disappoints!

Being a real fan of Mickey Mouse, our 2 yr.old grandson loved this book!! Of course the stickers were a drawing card as well. Thanks for a fun story book for our special little guy!!
