## **Customer Reviews**

I have about 10 Thai cookbooks and this is one of my go-to's. A lot of simple and quick dishes that don't cheat you out on the flavor. The directions are easy to follow, there's great pictures with good design all throughout, and there's a story with every recipe: all marks of a great cookbook in my opinion.

I love Thai food but always found it a bit intimidating. After a recent trip to Thailand, I thought I'd give it a shot, and this book has been so great! It is pretty and inspiring, and demystifies the flavors and

ingredients. Now I can eat awesome Thai food whenever I want!

Excellent cookbook! Clear instructions, tasteful design, and beautiful photography. I tried half a dozen recipes and they worked great. This book deserves a place on the cookbook shelf of every serious cook.

It's a keeper, good overview of cuisine and recipes stepped up for more committed cooks.
