## Customer Reviews

My 12 year old niece absolutely loves these coloring books. All of us get together & color. I was afraid to babyish but I had no reason to fear. She loved them. And because each page has a duplicate she can color with her friends or color the same picture in a completely different way.

It was my first purchase of the Sherri Baldy's My-Besties TM Winter Wonderland, I am so in love with her artwork, the pictures are so amazing...

Wonderful books both me and my granddaughter are enjoying a couple of them I ordered, color goes on great on the paper good quality.

love this Book to help cool off went it to hot outside I love this book

I love love love this artist and have never seen one I did not like

This is another winner. Love her artistry. Great ideas, and just plain fun to color. If I had a choice I would prefer no duplicates and more picture pages..

The images are super cute, but like other reviews, the paper is too thin to do anything but use pencils really. So have to copy them onto Cardstock.

Beautiful Winter coloring book this book is a lot of fun to color even for children
