Customer Reviews

This book was good.The jokes we're a little old and all of them didn't make sense.I like how they had it organized and a lot of them.I thought a lot of them were funny I would get this book if I were u

Because saying things about you mom's benign so fat that she hugged herself is not funny imagine if someone said that to you or to your mother right in front of your face and then the kid walks away laughing.you would not fell so good now would you. Your mother has been trying to take care of you and teach you nice ways but if you read this book and tell your friends that's just mean and cold.We all now mothers have the hardest job on the earth harder than dads so you should be happy that you have a mother who cooks,cleans and loves you so if you say that stuff at school to make you popular it's not going to work.If you want to be popular at school then be the 1 thing you are good at

being your self.

Aeons ago I entered a Yo Momma joke contest for a laugh in San Francisco and with the help of a few martinis, won second runner up. I had a few risquÃ© jokes that can't be mentioned here. This book has a motley collection of Yo Momma jokes, ranging from Yo Momma is too fat, skinny, stupid, poor and short. Many of them make sense and are funny, some of deciphering and are a little obscure for the average reader. The book is nicely arranged into categories, although it is a tad short. It should provide adequate content and idea springboard to try out for your next Yo Momma joke contest. Alas, I wish there was a Yo Daddy joke book. Maybe, Daddy jokes just aren't that funny. This book was given free of charge for my honest and unbiased review. If you find this review helpful, please click Yes below. Cheers!

Hi this book is very very very funny you have to read this book .I think that you should NOT tell your friends these jokes.I love this book and I think you will too.My rating is a 4.

I love Yo Mama jokes. I even highlighted the best ones on my Kindle. I like to do Yo Mama smackdowns with my younger sister. I eventually win usually. These jokes are th best and I would love to tell my friends. My fvorite Yo Mama joke in this book is: Yo Mama so fatâ | when God said, "Let there be light," he asked her to move out of the way.
