## Customer Reviews

I love brain teasers and riddles. This book will always bring a good memory to me. It is the book that paved the way for me to get to know someone special. This book has been an amazing help in making a relationship working well. It helps your kids abilities on answering the riddles and teasers to enhance. This book can help your child brain to practice and enhance memory. This is educational as well. The book is worth to recommend.

This Riddles book can be a great bonding material for family and friends. It has ample riddles that will make lazy Sundays more enjoyable and time well spent. Aside from being a little funny, these riddles will surely challenge the witty people who will take part in this. Good for all age groups, this book will surely give those dull hours the life and the laugh.

This book is a great time for the whole family. Simple enough for my seven year old to read but timeless enough for all of us to laugh at. We have had hours of quality family time enjoying the jokes and riddles. It is a very family oriented and safe book for kids of all ages. A great way to get the family together and put a smile on everyone's face.

Very good book in which the author tried to bring entertaining and educational tasks, charades and puzzles for children. I think the book should be of interest to all parents with young children, because the child in the form of a game receives a greater number of training information. I recommend.

This is the wonderful book. It has best riddles. I will gift this book to my nephew to sharpen his memory and way of thinking. I recommend this book to you because of its quality. It is best book for child that I have ever read, on riddles. Thanks to the writer of this book.
