Customer Reviews

This book is wonderful for anyone grieving. I lost my husband several years ago and a friend gave this book to me. It helped me so much get thru my journey. When I needed to read a passage to help me, I could go directly to this book.

I read this every night, a chapter at a time. On my third reading. I tell the person that gave it to me everytime I see her how grateful I am for this little book. I purchased it for a very dear friend who just lost her mother. Recommend this highly.

This little book contains lots of scripture on the topic of grieving. It's a great reference book. I've bought two so far, one for me and one for my friend. I'll probably buy more in the future. We must find answers to those difficult questions in God's Word if we want real Truth, lasting comfort that we

can go back to time and time again.
