Reviews: "Concise overview of Internet-related legal issues." (Law Library Journal) * "Although it deals with the complex legal issues surrounding the Internet, it is written in layman's terms and illustrated with 'ripped from the headlines' court cases." () * "The concepts and issues are presented in a way that is sufficiently rigorous but very easy to read, making the book one I can recommend." (Computing Reviews) * "A valuable resource, well-researched and well presented." * "I want a copy on my bookshelf always within arm's reach." * "The anecdotal nature made it easy to understand the underlying legal concepts." * "With India's Internet users increasing, it is imperative that schools adopt this book in a way which would help young students gain knowledge about the various issues involving the Internet." (Indian Journal of Intellectual Property Law) * "Issues in Internet Law: Society, Technology, and the Law will be a welcome addition in both academic and public law

libraries... It should be acquired by libraries for its concise overview of Internet-related legal issues."
