Pizza Recipes: 100 Pizza Recipes For Home Cook (+BONUS: 100 FREE Recipes) (100 Murray's Recipes Book 9)

Synopsis

Nice Pizza Recipes for EveryOne!+ BONUS INSIDE: 100 free recipes! Hurry Up!This is the 9th book in the new Cookbooks series:"100 Murrayâ™s Recipes" Pizza - the world-famous flan, baked with tomato sauce, cheese and a variety of ingredients. Among the varieties of the classic Italian pizza can be noted such as Margarita (mozzarella, tomato, oregano), Capriccioso, diabolo, four cheese and Four Seasons. Currently, there are more than two thousand kinds of pizzas. In the US, the pizza came late in the second half of the XIX century and first appeared in Chicago. Pizza spread mainly in the US and Europe, where there developed a network of pizzerias, most of which offer free shipping. Japanese pizza, "okonomiyaki" - a fried tortilla with seafood and vegetables, well-oiled special sauce and sprinkle with the dried tuna flakes. Classical pizza dough is made from flour special (a mixture of flour and durum flour), yeast, olive oil, salt and water. The dough is kneaded by hand and is rolled thinly coated with tomato sauce, then add almost any filling. I'm sure these recipes will help you face the weekend with a smile.

Customer Reviews

i love pizzas, and this book is full of amazing recipes, well written,easy to read and understand, i have tried few of the recipes already and my all family got a smile on there faces, so i guess it was good, pizzas are kind of part of culture nowdays and all those wonderful recipes are worth the purchase , i totally recommend this book

I'm not a pizza guy but once in a awhile its important to explore the various dietary options available and as a n occasional vegetarian, such books help me to quench my curiosity, with the various kinds of Pizza recipes provided in this book, its a real time to experience the delicious moments. There are various flavors for almost everyone.

My family loves pizza more than anything else they love those crusty portion with tons of beacon strips and sauce on it and I'm so glad we could explore more recipe of pizza we could make aside from our typical favorite style and not only that we could share quality time together by creating our own pizza at home!

I was very excited to try all the recipes when I saw his book. We always cook something special every Sunday and this recipe will be perfect! Our family loves Pizza and we sometimes bake our own. This is indeed the recipe book I am looking for. There are lots of delicious and exciting recipes! I have tried some of the recipes already and it is perfect! My family loves the new recipes for our Pizza and I can't wait to try all of it. Plus there are additional recipes included in this book which I also like. This is really worth my money. All the dishes are delicious and fantastic!

Pizza is one of my favorite food. I usually go out to find the best pizza maker in every place and town in our area. A friend of mine encouraged me to try doing my own favorite pizza and referred to me this book. My first attempt of making pizza was not that success but then with the help of this book and encouragement, i was able to perfect my own pizza. This book helped me a lot in my maiden venture of baking pizza. This book has a lot of pizza recipes that even newbies will definitely make a perfect pizza recipes.

I know there are varieties of pizza recipes, but i don't know so much about them. This book has all different recipes in it and it's been very helpful to me. The author did a great job highlighting all the different types of recipes and easy ways of making them. I recommend this to working mom and dad. It is very helpful. A very good job done by the author

As a pizza lover this is the best cookbook I've ever had! So many different recipes in one book! Here you can find a pizza for everyone, no matter if he is a vegetarian or not. The recipes that I've tried so far are delicious, easy to make and the directions are easy to follow. I would definitely recommend it to my friends and family!
