Customer Reviews

This book has a lot of valuable details on years certain options were available, as well as photographs of package art. It has helped me complete some of my sets (just from the photos) as well as identify some of my pieces that I wasn't sure of the origin. Good reading if you want to relive

your childhood!

I love this book! There are pictures of track sets, play sets and every other odd Hot Wheels accessory that you would ever get to see in one place! I can't believe that he has all this stuff in his collection!! hope Mr. Zarnock does another edition of this book with even more pictures!
