With two young children at home, meal time is a real chore. It seems like either my wife or myself is always running around trying to get a healthy meal on the table. Make Ahead Meals has been a great solution for us! Not only are the meals delicious and easy to prepare, but we can make them ahead of time (i.e. when the children are asleep) and put them in the fridge until meal time. I am personally looking forward to making the Mexican Beef Tortas from chapter 3 next.

The title is a bit misleading as a good portion of these meals are simply frozen raw materials you have to thaw and cook. I gave it 4 stars as it has so many good ideas despite the misleading (at least to me) title. There are a few errors, an example is the Poached Chicken recipe- in the body of the recipe it tells you to combine various ingredients including water that wasn't included in the ingredient list. A much better book, actually two, Make a Mix Cookery and More Make a Mix Cookery. Also, Freezer Meals: Make, Freeze, Eat. Easy, Delicious, And Convenient Make Ahead Meals To Save You Time and Money; yes that's the title, the whole thing. Good news is the book isn't anywhere near as complicated and wordy as the title.

Make ahead meals everyone can appreciate! This book is jammed full of easy and quick to prepare meals for any time of the day. Pork, beef, chicken, and even vegan recipes are represented here. Even for this gal who loves to cook, freezer-friendly meals are more than welcome-even breakfast! The recipes will make your mouth water and won't take hours to create. Make-ahead granola, salmon with sun-dried tomatoes and onions, steak, and enchiladas can all be ready in a flash. Maggie Bradley gives you the recipe with full and easy instruction and then includes how to best freeze and save that meal. This is a great book for anyone who EATS! I can't wait to try the make ahead breakfasts!

This book has so many recipes which makes it perfect for the whole family. In this book we could find 44 meals that are indeed very delicious foods and easy to prepare.
