Customer Reviews

this poster is not on the same nice paper as the others i have from the actual exhibition, like i thought it would be. thin and cheap looking, with a small dent.

I first saw this poster on the Ashes and Snow website (a beautiful website, by the way) and noticed that the price of the poster and shipping was lower at .com than just the poster price at Ashes and Snow. My friend was very happy to get this as a birthday gift as she had seen it 8 months back at the school her daughter attended and was a bit mesmerized by it. Thanks, .

Wonderful picture, which make you relaxed and wonder about the world, and the meaning of life.I can really recommend it to everybody with love.Anders BiÃ¶rck

Perfect picture for grandson's nursery. Appeals to children and to the love of a good book. Spotted picture in doctor's office and had to have.

Love it. I got it professionally framed and it came out breath taking. Its my show piece in my extra

bedroom.
