in Books > Computers & Technology > Mobile Phones, Tablets & E-Readers > Tablets #601

in Kindle Store > Kindle eBooks > Reference > Consumer Guides

Customer Reviews

The book is straight forward and easy to follow. It outlines the many benefits of having an Prime membership clearly and concisely. Reading this book convinced me that an Prime membership is definitely worth having.

I was disappointed in this book. It was so confusing in that being called 'Kindle Owners' lending

library, yet the focus was rather on borrowing actual paperback/hardback books and not downloads onto the Kindle. I also thought that \$4-99 was most certainly not value for money

VERY FEW DIRECTIONS. DON'T BOTHER ALL INFO ON WEB SITE. IF YOU ARE LOOKING FOR INSTRUCTIONS, THIS FAILS IN THAT DEPT.

This is a good benefit but you are only allowed to borrow one book per month. It would be a great (aka 5 Stars) benefit if you could borrow one book at a time with no monthly limit.
