God's Armorbearer: Running With Your Pastor's Vision Volume 3 (Armor Bearer)

Synopsis

THE ARMORBEARERS OF TODAY WILL BE THE LEADERS OF TOMORROW. Terry Nance, author of the best-selling book God's Armorbearer Volumes 1 and 2, reaffirms that the local church is God's idea--not man's--and that this is the day of a great harvest in which millions will need to be trained in the Lord. In God's Armorbearer Volume 3 you will learn: * How important it is to get plugged into your local church. * How to get out of the comfort zone and develop your gift zone. * How to become Kingdom builders and not empire builders. * How servanthood is the key to unlocking your destiny. God's Armorbearer Volume 3 shows how the local church will play a major role in this last day move of God in preparing the way of the Lord.

excellent, I am a real fan of Mr. Nance and how he makes the Word of God practical. This book really allows the reader to learn how to become the servant the bible talks about and to assist pastor edify the body of Christ.

Those who take ministering to the Pastor seriously and want to be proficient in it , there are those who contend that you don't find Armorbearer's in the NT however this ministry would be considered the gift of helps.

This is a great book and a must have for those wanting to know their vision for themselves and their

church. Also, this seller shipped this book promptly and it was as promised, in great condition, I thought it was new!

This is a must read for anyone who is serious about God and the ministry. I READ the first two books and they were excellent. Terry Nance nails it. To really see the move of God in ministry. You must have this book, this book will help you grow.

This was my second purchase in this series. Our church uses it as a resource. I purchased Terry Nance's first volume.

Awesome Book!!!! If you work in a leadership position or is just a pew member this book is worth reading. It helps put your Pastor's vision into perspective. Understanding that his vision is God's vision for your church and your life. God put Pastor's in Shepherds position to watch over His(God's)sheep.

This book is great for those working in ministry leadership . It steered me in the right direction in serving in my church and motivated me to share what I've learned with others.

I chose this book from a recommendation of a friend. I am very impressed with volume 1/ I felt that volume 3 was getting more into legalism than serving, as volume 1 focused on.
